insofar as bills I introduce is concerned.

SPEAKER: Senator Murphy. We really don't have anything before the body. Do you have concluding remarks? Go ahead, sir. You are on.

SENATOR MURPHY: I have none in particular. I do think the body would do well in considering this amendment, to also consider this banking amendment because it could very easily construe that a bank by making deposits with a S & L could, in fact, become an owner and this could be clearly defined in order to prevent if the body feels that that is something they do not want to get involved in.

SPEAKER: Thank you. In attempting to work on down the work sheet here and on the Board, it appears that the next bill that would be available for General File consideration would be Senator Rasmussen's LB 34. Senator Rasmussen, what is your pleasure regarding that bill?

CLERK: Read title. LB 34....

SPEAKER: Mr. Clerk, stand by. Senator Rasmussen, do you want to consider it.

SENATOR RASMUSSEN: I think so.

SPEAKER: Thank you. Go ahead. The clerk will read the title. Wait just a minute, the clerk will read the title.

CLERK: Read title. LB 34.

SPEAKER: Now, Senator Rasmussen.

CLERK: 28 ayes, 0 nays, 21 not voting.

SPEAKER: The bill is advanced. I believe that next brings up the General File consideration of LB 68. Senator Duis' bill.

CLERK: Read title. LB 68. There are committee amendments by Senator Fred Carstens Banking Committee.

SPEAKER: The chair recognizes Senator Carpenter.

SENATOR CARPENTER: The committee amendments, I'd like to..

SPEAKER: Pardon me, sir.

SENATOR CARPENTER: Let's adopt the committee amendments. Then, I'd like to hold the bill over until Monday or Tuesday.

SPEAKER: OK. Stand by. Senator Fred Carstens, you are...

SENATOR FRED CARSTENS: I move the committee amendments be adopted.

SPEAKER: Thank you.

SENATOR FRED CARSTENS: The committee amendments were adopted by...there were some...when the bill was heard before the
